## Short video service is added to the new version of Aparat

Mustafa Ahmadi, executive director of Aparat, said at the launch event of the new version of this platform: "Today Aparat focuses on short videos and we will have short video service on Aparat from now on." We have also made it possible for producers to earn money from the short video service.

## Permanent discount back to the origin the new benefit of Tapsi for users

Tapsi Company added a 30% discount for returning to the origin to its facilities with the aim of reducing the cost of trips and facilitating the use of its services. This discount is used for users who go from one origin to a specific destination during the day and return to the same origin before the end of the day.

Mostafa Gholizadeh, Tapsi's Vice President of Growth, said about the scheme: "The constant return-to-origin discount is Tapsi's newest benefit for commuter users. This new feature significantly reduces the cost of trips for users who travel from one origin to a specific destination and back again during the day.

## Golrang has bought all the shares of Alopeyk for \$4M

According to the audited financial statements of the year 2023, Golrang Industrial Group has purchased all the shares of Alopeyk for the amount of \$4M through Hasti Electronic Commerce Innovators, one of its investment arms.

This transaction, the details of which have been revealed after a year, has made Alopeyk one of the key assets of Golrang. Also, the available information shows that Hasti Electronic Commerce Innovators Company, in addition to owning Alopeyk, also owns a part of Tapsi shares.

The board members of Hasti e-commerce innovators include Malihe Moseleh (CEO), Ali Ebrahimi Kordlar, Mostafa Seyyed Hosseini (CEO of Tapsi), and Milad Jalayer (Board member of Tapsi).

### NEWS REVIEW

## CafeBazaar was accepted in OTC

According to reports, CafeBazaar has succeeded in obtaining admission to the OTC, and now this startup is the second company that has entered the OTC after Tapsi.

Previously, the former CEO of CafeBazaar said: "The process of entering the stock market is very complicated and strange. We are preparing ourselves and handling the company's financial statements, and we hope to go through this process as soon as possible." However, going through these processes took almost 4 years. About a month ago, in the assembly of Sarava company, it was approved by the majority of shareholders that the shares of Sarava company in "Hezardastan Holding" be sold to Hezardastan itself. Sarava owned about 12% of Hezardastan shares. Hezardostan Holding is the owner of CafeBazaar, Divar, Sotoon, Balad and Karnameh companies.

As a result of various valuations, the total value of Hezardastan shares was estimated at \$696M, and after the decision of the Sarava assembly, it was decided that with a 30% market discount, the amount of \$60M would be given to Sarava in exchange for 09.12% of Sarava's shares in Hezardastan. be paid and distributed among the shareholders of Sarava.
